

CAL/OSHA Summit /18

An EHS Daily Advisor Event

Cal/OSHA Summit is a leading state-specific event for California employers and safety professionals to get cutting-edge developments on new safety regulations, compliance strategies, and management tactics. The expert speakers at **Cal/OSHA Summit 2018** will prepare attendees to address the rigorous **Cal/OSHA** initiatives California employers or employers with locations within California need to comply with—and help attendees avoid costly fines that can affect their bottom line.

Attendees of Cal/OSHA Summit 2018 will:

- **Access** proven strategies to avoid the most common mistakes of **Cal/OSHA's** most violated standard on injury and illness prevention.
- **Ace** Cal/OSHA inspections by learning tips for a successful walk-through.
- **Uncover** proven tactics to protect California workers from heat stress and illness, according to **Cal/OSHA's** strict requirements.
- **Discover** safety incentives that other California companies have successfully implemented to drive low-risk behavior.
- **Network** with peers and industry experts alike.
- **Hear** motivating and informative talks on post-accident drug testing and injury reporting, HazCom labeling practices, and workplace violence prevention.
- **Get** hands-on with a workshop to help you optimize your return-to-work process.
- **Identify** high-impact strategies to get buy-in on your safety culture program, from management and staff alike.
- **Leave** with a powerful action plan to protect their workforce in 2018 and beyond.

Safety Credit Information:

This conference is pending approval for recertification points for CSPs, CHSTs, OHSAs, CMP credits for CHMMs, and may be eligible for CM credits for CIHs who attend.
